### Supply List

No sewing machine needed!

- A **large variety** of fabrics- small amounts of many are more useful than large amounts of a few. Please make sure you have a variety in value (lights, mediums and darks) in your choices. Include all types of prints, batiks, multicoloured, traditional and so on. *Please, I hope you don't mind sharing your fabrics in class- each exercise usually only needs small pieces, your neighbour at the table may have just what you need and vice versa!*
- Glue stick for fabric- "UHU" or "Ross" are good brands.
- Rotary cutter, mat and small ruler.
- Sharp scissors for cutting fabric.
- Pencil and paper for taking notes.
- 30-50 sheets unlined paper- (computer paper is good)
- Several magazines which you won't mind cutting into- look for interesting advertisements or photos with distinct lines.
- Some page protectors and a small 3-ring binder to keep your work in.
- digital camera
- An open mind! 😊
